About us

■ Establish

GEORGIA establish in 1999. We have been focus on building materials field along with the urban development of Shenzhen.

■ Value

We achieve our team self value from 5 main ways: communicate quality has decided project quality from start. The information of correctly and effective are basic of guarantee for each client.

■ Team

GEORGIA team embrace designers, architects and house owners from all over the world with professional and positive attitude. Working together, creating together.

■ Strength

A large share of the cost of building a home is determined during the design phase, long before the ground is even broken. GEORGIA's core strength is to provide competitive products with the right architectural style under a fixed cost framework.

■ Service

The cost of time is often the easiest factor to ignore. We are in time management will be accurate to each steps of the whole trade. Therefore achieve on time delivery. Long time focus in the building materials industry let GEORGIA accumulate enough experience. We used experience to improve our quality control process. Trial assembly are necessary steps after production. The process will shown to client for check by pics and videos.

■ Transportation

The transportation is most of important step in global trade. GEORGIA not only can provide shipping service for client, but also provide storage if necessary. This would be greatly facilitates client coordination of goods in China, reduced shipping cost. Meanwhile, lower the multiple risks borne by separate shipments as well.

An arched doorway with a decorative iron door leading to a staircase. The door is dark with intricate scrollwork. The archway is set into a light-colored wall with a grid pattern. Two lantern-style light fixtures are mounted on the wall, one on each side of the arch. The interior shows a curved staircase with a dark railing and a tiled floor. A black and white checkered mat is on the floor in front of the door. The word "ARCH" is overlaid in white text in the center of the image.
